Sir:

Pursuant to Rules 56 and 98, Applicants hereby call the attention of the Patent Office to the references listed on the attached Form PTO 1449. The references are all Office actions from other US patent applications, having a common inventor with the present application, within the last three months. In fulfillment of 37 CFR 1.97, it is certified no item of information contained in the Information Disclosure Statement was cited in a communication from a foreign patent office in a counterpart foreign application or, to the knowledge of the person signing the certification after making reasonable inquiry, was known to any individual designated in §1.56(c) more than three months prior to the filing of this statement. The fee due, since there is a final rejection against the present application, is being paid by credit card.

Applicants respectfully request these references be expressly considered during the prosecution of this application and made of record herein and appear among the "References Cited" on any patent to issue herefrom.
